Construction Notice **Bon Brae Monitoring Well**

Through the Macomb County Public Works Office, the City of St. Clair Shores has contracted with Tri-County Services Inc. to install a monitoring well under Bon Brae Street, 175-feet east of Harper.

Beginning next week, the contractor will saw-cut and remove the pavement in the area of the well, excavate and install the well, and then backfill and replace the concrete. The project is estimated to be completed within 7-10 days from the start of the project.

Bon Brae will remain open to one lane of traffic; however, you may experience delays in traffic due to the staging of equipment.

We appreciate your patience and cooperation during this project. If you have any questions or concerns, please feel free to contact the City of St. Clair Shores Community Development and Inspection Department (CDI) at 586-447-3340.

Regards,
CITY OF ST. CLAIR SHORES

Bryan Babcock, P.E.
Assistant City Engineer
