**STATE PROPOSALS****PROPOSAL 10-1****A PROPOSAL TO CONVENE A CONSTITUTIONAL CONVENTION FOR THE PURPOSE OF DRAFTING A GENERAL REVISION OF THE STATE CONSTITUTION**

Shall a convention of elected delegates be convened in 2011 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

**PROPOSAL 10-2****A PROPOSAL TO AMEND THE STATE CONSTITUTION TO PROHIBIT CERTAIN FELONS FROM HOLDING ELECTIVE OFFICE AND SPECIFIED TYPES OF PUBLIC EMPLOYMENT POSITIONS**

The proposed constitutional amendment would:

Make a person ineligible for election or appointment to any state or local elective office or to hold a position in public employment in this state that is policy-making or has discretionary authority over public assets, if:

- within the preceding 20 years, the person was convicted of a felony involving dishonesty, deceit, fraud, or a breach of the public trust; and
- the conviction was related to the person's official capacity while holding any elective office or position of employment in local, state or federal government.

Require the State Legislature to enact laws to implement the prohibition.

Should this proposal be adopted?

**CITY OF ST. CLAIR SHORES PROPOSALS****PROPOSAL 1**

Shall the Charter of the City of St. Clair Shores be amended to authorize, for a period of three years, commencing July 1, 2011, the levy and collection of up to 1.5656 mills per \$1,000.00 of taxable valuation (1.5656) of state taxable value which is estimated to produce \$2,668,262.00 of tax collections in the first year, to be expended only for police and fire operations and police and fire capital improvements?

**PROPOSAL 2**

An alternative proposal to keep St. Clair Shores Police and St. Clair Shores Fire services/personnel at the 2009/2010 levels. This is a new millage that replaces the expiring Police and Fire Millage to keep Police and Fire services at the same level that has been provided during the last Police and Fire millage period.

Shall the Charter of the City of St. Clair Shores be amended to authorize, for a period of three years, beginning July 1st, 2011, the levy and collection of a new millage up to 2.0 mills per 1,000.00 of taxable valuation (2.0) of state taxable value which is estimated to produce \$3,408,613.00 dollars of collections in the first year to be exclusively used for the Police and Fire Department operations and guarantee that the City of St. Clair Shores employ no less than 50 personnel in the fire department and no less than 90 personnel in the Police Department?

## **SCHOOL DISTRICTS PROPOSALS**

### **LAKE SHORE PUBLIC SCHOOLS OPERATING MILLAGE RENEWAL PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 1.1278 mills are only available to be levied to restore millage lost as a result of any reduction of millage that may be required by the "Headlee" amendment to the Michigan Constitution of 1963, as amended, and will only be levied to the extent necessary to restore that reduction.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Lake Shore Public Schools, Macomb County, Michigan, be increased by 19.1278 mills (\$19.1278 on each \$1,000 of taxable valuation) for a period of 5 years, 2011 to 2015, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2011 is approximately \$2,071,557 (this is a renewal of millage which expired with the 2010 tax levy)?

### **SOUTH LAKE SCHOOLS TAX LIMITATION PROPOSAL - OPERATING MILLAGE**

This proposal, if approved by the electors, will allow the South Lake Schools to levy the number of operating mills that are required for the School District to receive revenues at the full per pupil foundation allowance permitted by the State of Michigan.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, situated within the South Lake Schools, County of Macomb, Michigan, be increased in the amount of 0.1684 mill (\$0.1684 on each \$1,000 of taxable valuation) and the limitation on the total amount of taxes which may be assessed against personal residences and other property exempted by law be increased in the amount of 1.4246 mills (\$1.4246 on each \$1,000 of taxable valuation) for a period of fourteen (14) years, from July 1, 2011 through June 30, 2025, inclusive? If approved the millage would provide estimated revenues to the South Lake Schools of Two Hundred Fifty-Four Thousand One Hundred-Four and 00/100 (\$254,104.00) Dollars during the 2011 calendar year, to be used for general operating purposes.
